I am the Hornet King. When a powerful necromancer, Iratus, shows up at my castle, he receives the honors of a distinguished guest. A huge feast was held in the throne room. I also agree to share my beautiful angel, my beautiful Colette with him. Iratus may think that "life is a disease" but that doesn't stop him from enjoying sex. Yes, his plan is to invade his world and eradicate all life, but he won't touch mine. After all, I have shown Iratus the respect that a great necromancer deserves and he finds that we have much in common. Anyway, Iratus is only passing between my world and his, although he refuses to tell me how he got to my world.

When we arrive in Colette's cell, my beautiful blond angel stiffens her beautiful naked body. She is terrified by Iratus. I reassure her. I tell her that we are going to have a good time together. I order my pleasure Chosen One to stay put. We approach her, but she tries to run away. I intend to cast a spell to punish her, but my guest is faster. He snaps his fingers and a magic whip falls on the blue-eyed woman's back. Colette screams and her body crashes to the ground. Iratus forces her to her feet and he signals me to chain her up. I tell my guest that he has no right to tell me what to do, but I chain my slave anyway.

Now that my sweet pleasure Chosen One is secured by the chains, Iratus and I can have fun with her body. To ease her, Iratus massages her back and I gently squeeze her breasts. Then the necromancer licks her buttocks and my tongue stimulates Colette's nipples. Colette moans and she begs us to stop. Her pleas excite us even more.

Iratus signs to me. He counts to three. On the count of three, we enter our penises into her holes. Iratus in her ass, me in her pussy. Colette yells a "nnnnoooo!" and this makes my guest laugh. Our penises penetrate her repeatedly until we ejaculate. The necromancer then suggests that we switch places. I accept and shove my cock into Colette's back door. Iratus takes care of her vagina. We cum again. My pleasure Chosen One moans unceasingly. Her body is lost in the pleasure. To finish, Iratus puts his cock in my angel's mouth to cum in her palate. As for me, I slip my stinger between her breasts while fingering her pussy, now sticky with cum and love juice.

I remove the chains from Colette and she drops to the floor, without saying a word. I leave her cell and Iratus follows me. He thanks me for this beautiful moment with my pleasure Chosen One. Then he leaves my castle. I don't know if I will ever see him again.
